Actress Joan Fontaine once called actor Brian Aherne "the finest husband in the world," but she's shown in Los Angeles Superior Court where she won a divorce from Aherne. Miss Fontaine charged extreme cruelty.

JUNIOR FIRE DEPARTMENT WILL NOT RELAX WORK IN SUMMER VACATION PERIOD

Torrance Junior Fire Department recently awarded badges for the fine work, will stay on the job all summer and help prevent fires, according to Captain J. R. Winters, who is handling the department work for Fire Chief J. E. McMaster.

Every member of the department, from the chief down through the ranks to the inspectors, will continue their alert—watching for hazards, reporting them to the person on whose property they are found, and then checking back to see if the corrections have been made. For each correction made, the fireman gets a point and the more points he or she gets the higher the reward at the end of the first semester of the next school year.

Junior Fire Department Chief Wallace Fullmer and Assistant Mary Lee Ryan each brought about 22 corrections. In speaking of the work of the junior fire department, Chief McMaster made an appeal to all citizens to encourage and cooperate with members of the Junior Fire Department who are now actively engaged in eliminating common fire hazards in residential areas, alleys and the business district.

Chief McMaster said, "It is not the intent of the Fire Department to have Junior Fire Inspectors report fire hazards to the Fire Department but rather

Soldiers Urged To Prepare Now To Vote in Nov.

"If you want to vote in the November election, now is the time to get your applications for absentee ballots and send them in," said Lt. Joe E. Duke, Camp Ross voting officer, this week.

At the same time, Lt. Col. Harry E. Brown, Jr., Camp Ross commander, called upon all soldiers to maintain their interest in home affairs and, especially, in an election year to exercise their franchise freely.

Applications for absentee ballots are printed on a postcard, WD AGO Form 560, and require only the soldier's home address, military address and certified signature with serial number for completion.

Applications for primary ballots are made with the same postcard form, with the additional requirement that party affiliation must be stated. Registration is in most cases automatically accomplished when the application is submitted.

If a soldier is in any doubt as to his eligibility to vote by absentee ballot, he should write immediately to the secretary of state of his home state asking

meet. The letter should include his date of birth, how many years he has lived in the state, and his voting district (to the best of his knowledge), and should bear his signature.

Bow Your Heads

THIS is Invasion! Now in the hearts, brains and muscles of our American Youth lies the future of our country.

Bow your heads. Pray with millions of mothers the country over, as their hearts reach out over the seas, each one seeking out her boy, to protect him with the shield of her love.

Believe that in this world there is definite strength in decency and honor. Believe that in our devotion there is moral force. Believe that our will to victory will aid that victory.

Seek and ye shall find!

Let us seek added strength and fortitude for our men in our own sacrifice and devotion.

Let us focus every thought, every action, and every prayer on the boys fighting for us.

And, while each one bends to his task with ever-growing fervor and energy, let us adopt a common symbol as our faith in Victory.

Let that Symbol be War Bonds. Let us pour our money in a gigantic flood of goodwill toward our sons and brothers, as a spiritual shield for them.

This is the Invasion. The lives of our boys are at stake. Let them see that the Soul of America is with them.

Let it not be too late . . . not next month, next week, or tomorrow, but today . . . now.
